

Alcohol and other Drugs Policy

It is our policy to keep children safe when they are in our care.

In order to do this we will ensure that neither myself, nor my co-workers whilst in the setting, are under the influence of alcohol or any other drug which may affect our ability to care for children.

We will ensure that anyone who has contact with the children in our care whilst at our setting, who is taking medication which may affect their ability to care for children, will seek medical advice. They will only work directly with children if it is confirmed that their ability to look after the children will not be impaired.
